

BLOOD TRANSFUSION ARTEFACT RECORD	
NUMBER	AA-060
ITEM / TITLE	ENGLISH 'NATIONAL BLOOD TRANSFUSION SERVICE' GOLD AND SILVER BLOOD DONATION AWARD BADGES
PHYSICAL DESCRIPTION	Gold and Silver blood donor award metal badges – a National Blood Transfusion Service double heart emblem on a circular red background with the royal crown emblem above the hearts, mounted on a bar with clip fastening behind.
OTHER INFORMATION	National Blood Service blood donor award badges – awarded to donors who have given different numbers of blood donations, i.e. bronze = 10 donations; silver = 25 donations and gold = 50 donations. The silver badge is in a plastic presentation box. <i>Note: The crown was removed from the 'National Blood Transfusion Service' logo when the name changed to 'National Blood Service' following the creation of the National Blood Authority in 1993. - PL</i>
