

BLOOD TRANSFUSION ARTEFACT RECORD	
NUMBER	AA-058
ITEM / TITLE	NATIONAL BLOOD TRANSFUSION SERVICE 'STERILE' LABELS
PHYSICAL DESCRIPTION	Small (approx. 3 x 1.25 inches) white (un-gummed) labels with NATIONAL BLOOD TRANSFUSION SERVICE – STERILE in red writing – each label has spaces for 'Date' and 'Batch No.' information.
OTHER INFORMATION	<p>These labels were used for labelling items that had been heat/pressure sterilised, e.g. blood bottles, gold tins, etc.; i.e. the 'date' being the date sterilised and the 'batch number' being the autoclave run / cycle number.</p> <p>Note: The labels are separate and were kept together using a rubber band.</p> <p>The labels are stated to be type N.B.T.S. 12</p>
